REQUIRED FOR EACH SERVICE

Effortless Windshield
Repair with Würth's
Liquid Finishing Resin,
and Curing Film –
**Restore Clarity
and Strength!**

After the purchase of the Components Set and Automatic Repair Set, you only require resin and curing film to execute each stone chip repair - a cost of less than \$15 per service!

LIQUID WINDSHIELD REPAIR AND FINISHING RESIN

890.199199

Each package yields approximately 8 stone chip repairs and comes with a reusable applicator

Use with applicator for easy application compared to traditional repair systems

Low viscosity resin allows for penetration into the smallest hairline cracks

Resin will not yellow when exposed to UV light

Provides a clearer finish than conventional resins

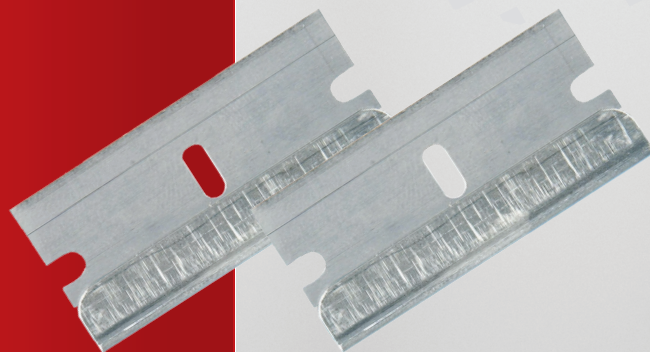

CURING FILM

891.458008

The curing film creates a protective layer for the repair area

Each package yields 5 stone chip repairs

DON'T FORGET OTHER ITEMS FOR THE SERVICE!

When you're tackling a windshield repair, don't forget the essential accessories that make the job safer and easier.

- ✓ **Cut Resistant Gloves**
- ✓ **Protective Eyewear**
- ✓ **Razor Blades**
- ✓ **Glass Cleaner**
- ✓ **Fender Cover**
