To whom it may concern,

**Subject: Letter of Guarantee – Hand Cleaner, Industrial Strength (Product number 893.93401)**

This letter serves as a guarantee regarding the suitability of Hand Cleaner, Industrial Strength (Product number 893.93401) for use in food manufacturing facilities, in accordance with the Canadian Food Inspection Agency's (CFIA) Guidance for Food Establishments Concerning Construction Materials, Packaging Materials and Non-Food Chemicals.

We hereby confirm that:

1. **Intended Use:** This product is a non-food chemical product intended solely for **hand cleaning in maintenance areas**, where its use is restricted to the removal of grease, oil, and grime.
2. **Use Conditions:** The product is not to come into direct or indirect contact with food, food contact surfaces, or food packaging materials. It must only be used in designated non-production or maintenance areas.
3. **Safety Assurance:** Based on its formulation and intended restricted use, the product is considered safe for use within food manufacturing facilities under the specified conditions.
4. **Compliance:** The product has been evaluated against the relevant requirements outline in the CFIA's Guidance for Food Establishments Concerning Construction Materials, Packaging Materials and Non-Food Chemicals.

We guarantee that the use of the product, under the conditions described above, will not present a food safety concern in food manufacturing facilities.

Should you require any further information or supporting documentation, please do not hesitate to contact us.

Sincerely,
